DAMAGEDANCE is seeking smart, passionate, and dedicated people to fulfill our development and educational outreach internships. Must have excellent writing and communication skills, be able to commit 5-10 hours per week, and be able to work independently from your own computer. Schedule is flexible. While this opportunity is unpaid, you would have the opportunity to take free weekly company class as compensation.

This is a great opportunity to gain experience with an emerging modern dance company, and build connections with the dance community.

The responsibilities:

The Development and Administrative Intern will maintain social media accounts, and be involved in the process of grant and performance opportunity submissions.

The Educational Outreach and Administrative Intern will be involved in the process of booking teaching opportunities with dance institutions, k-12 schools, and colleges.

To apply:

You may apply to either internship or both. Please email your resume and cover letter to damagedance.nyc@gmail.com. In your cover letter, please describe why you would like to support DAMAGEDANCE's company mission.
