I am the agent for an artist who needs to hire the following performers for an early-January 20 minute showing of Hoop Dance forms.

No audition required, a picture or video and resume will suffice.

The following performers are needed:

1. 1 ethnic middle-aged man (40-60 years old) who can dance and hula hoop.
2. 2 younger dancers, preferably one male and one female, who are also talented dancers who can do some form of dance with multiple hula hoops.

The artist I represent is a well-respected Native American Hoop Dancer. Dancers hired to the project will be expected to familiarize themselves with the form through the use of Youtube videos.

Pay is negotiable, name your asking rate. Strong dancers will be hired, at least 1 long rehearsal (maybe a few more, not more than 5), 1 performance in a high-visibility venue.
