Third Rail Projects is gathering submissions from experienced and seasoned performers for possible projects in 2014. As we determine our performer needs, we will be drawing from these submissions to schedule informal casting calls throughout the year.

We are seeking performers with: a strong contemporary dance background, heightened professional performance experience; comfort and experience moving in a site-specific context; experience or willingness to vigorously move on architecture (furniture, walls, tables, staircases); the ability to move athletically in aggressive, rigorous choreography; an ability to execute simple, uninflected pedestrian actions; experience with dynamic partnering; a willingness and comfort using voice and speech; and the ability to embody a character and interact personally and in close proximity to audience members.

Please send your resume (can also be in bio format) and a current photo that clearly shows your face and hair. You may also send a second optional photo that best represents you as an artist. We will also accept links to online videos of your work. Please include your general availability in 2014 for evening performances and weekday afternoon rehearsals, including any spans of time when you will be unavailable (out of town or performing etc) in 2014. Send all materials to marissa@thirdrailprojects.com.
