An independent music video company is seeking a range of dancers from hip hop to break dancers and more for an indie music video.

The band Talkfine recently won the Deli Mag's "Artist of the Month" contest, they have been featured in The Deli, The Village Voice, Hypable, and Kick Kick Snare. The band members also recently toured with Team Starkid, a viral youtube theater troupe, which offered them a good amount of exposure.

### Dates/Locations:

The music video will be shot on Dec. 9th from 10am-3pm in a studio in Manhattan. Please come improvise for us for 30 min - an hour. We'll schedule the dancers for 30 minute blocks so the shoot shouldn't take up too much of your time at all.

### Available Roles:

We are looking for male and female dancers of all ages, shapes, and sizes.

### Compensation:

Unfortunately, because the band does not have much money for this video, this will be an unpaid gig. However, the filmmakers have had much success with placing their videos on major media outlets. So we can similarly promise a ton of exposure on the band's official site, Youtube, Vimeo, and other major Internet publications upon its release, full credit, a copy of the video, and extra footage for your reel.

Please feel free to check out the band:
