cakeface is casting for an upcoming project Saturday, Dec 7 from 1-4pm. The company's projects thread together intricate choreography and original, abstract scripts to convey one fundamental idea. We are seeking skilled dance artists that are extremely comfortable speaking. The work has a script and you will be expected to learn lines at a rapid speed. Don't worry, there is no acting involved.

Candidates must be available for a concentrated rehearsal schedule Dec 8-18 and again Jan 3-showtime. Performances take place Jan 17 + 18 in Williamsburg. Paid performances, not rehearsals. For more information and to reserve a slot please email your resume and a non-headshot photo to info@cakefaceart.com by Nov 30.
