The Muse Brooklyn is a Dance, Circus, and Music space established in November 2011. We promote the collaboration and integration of circus, music, dance, and all other performing arts. We are built on the support of all of the volunteers and are very community based. Our doors are always open to anyone with the desire to create, grow, and run away with the circus...

We are looking to add to our group of workstudies. Work study is a great opportunity to be a part of the community, while being able to take classes and train at more affordable costs.

As workstudy you are essentially the face of the Muse. A commitment to either 6 or 12 hours weekly is required. Applicant must be motivated, team oriented and have good admin, organization and cleaning skills. Especially an interest in exploring the circus world!

If you or anyone you know might be interested in a position as a work study, or would like further details, please send an email with the subject "WORKSTUDY" to themusebrooklyn@gmail.com

Looking forward to meeting you all!
