Move. Make. Think. Collaborate. The Company's Summer 2014 workshop will focus on the process and material from *Spent Days Out Yonder* (2000). Each day will include the opportunity to engage in technical challenges, gather tools for making material and create new material using the Company's methods to be shared on the final day of the workshop. Ideal for pre-professional and professional dancers seeking to rejuvenate, challenge and expand their skills as movers, makers and collaborators. Led by Janet Wong, Associate Artistic Director, and the Company.
