FOR THE FIRST TIME EVER, Varone and his dancers will lead a new Choreographic Intensive in NYC designed for serious, emerging choreographers. Varone will share ideas about craft, design and composition through finely honed creative games and devices, in which reams of material are built quickly then carefully shaped and molded. Throughout the week, participants will have the rare opportunity to create studies using Varone's seasoned dancers as their palette.

Varone and the Company will continue to mentor each participant in the following months in the creation of a new dance. The full slate of those dances will be presented at the 92nd Street Y in early fall 2014.
