Join the directors of LeeSaar The Company for a one-day intensive that gives dancers the unique insight in how this innovative company works and creates. The day will begin with a 75-minute Gaga Dancers class, (manager of Gaga USA) followed by a repertory session focusing on the work of LeeSaar The Company. After a short lunch break, dancers will be directed to build their own solo. Lee and Saar will be working with each dancer individually on their solos.

LeeSaar the Company is active eleven months per year, five days a week and also manages Gaga USA, teaching throughout North America. We invest daily in the development of the movement language and in the creative tools we employ to train our dancers. This, we believe, is the core of our work. This level of dedication puts the dancers in the center of our creation. It allows them freedom to reveal themselves on stage; to become not just interpreters, but inventors.
