We are seeking our next badass to teach our lively dance cardio classes. No fitness experience required. Looking for energetic, smart, creative, and fun-loving dancers.

A job as an instructor at ((305)) is the perfect compliment to your performing career. Our classes are fun and lively to teach. You dance, jump, and bring life to the classroom, inspiring non-dancers to move their bodies. Educationally, our extensive training program -- at no cost to you - also offers a unique foot in the door into the world of fitness that costs trainers thousands of dollars to attain on their own. The hours are consistent and part-time. We are highly supportive of artists and traveling schedules.
