We are still accepting applications for the Take Root 2014-2015 season!

Dance Entropy created Take Root as a response to the economic difficulties affecting the presentation of dance in New York City. It is our goal to aid in the continued development and performance of new dance work of various aesthetics by providing choreographers with a produced opportunity. This curated, once a month series supports dance makers by providing our venue, Green Space, with technical and marketing support for two full or paired evenings of work.

*One selected artist will receive a Mertz Gilmore \$3,500 Late Stage work stipend, facilitated by Green Space.
