I'm looking to hire an experienced instructor who is comfortable with rehab, fitness, pre- and post-natal, as well as advanced Pilates repertoire. Great work environment, expert Pilates instruction, excellent compensation. Must be available to work several mornings, including 7am's, one or two evenings, and at least one weekend day, approximately 25 hours. Please send your resume/work experience with references to the email adress listed below. Continuing Education is a huge plus. Will consider recently certified instructors.
