We are celebrating the 5th anniversary of In-Sight Dance Company's Suite Summer Festival by curating a SITE SPECIFIC festival at Socrates Sculpture Park. We are looking for dance companies and dance artists that are dedicated to creating high quality artistic work and are interested in connecting with community by creating and performing at the beautiful Socrates Sculpture Park this summer. You may create a new work specifically for the park OR retrofit an existing piece to be performed in the park.

The purpose of this festival is to create a performance over labor day weekend that will fill the entire park with dance! We have truly enjoyed rehearsing and creating at Socrates Sculpture park and we are excited to share this inspiring process with dance artists from around New York City.

We look forward to your application for participation in this festival. Please review the entire guideline document prior to applying:
