## Casting Male & Female Dancers for Flight Facilities Video

Company: GAREN.

▶ Share | Print | Download

Compensation: \$200

We are casting two dancers for a non-union high exposure, leading roles in a music video for Flight Facilities. Flight Facilities are an internationally acclaimed electro duo from Australia. Their previous singles have a combined total of over 20 million hits on youtube.

We are looking for one female and one male dancer to feature at the centre of the video.

Dance training should include classical and contemporary experience.

Please send current head and full figure shot along with height and bio.

The choreography will be physical and intimate. Dancers should be comfortable performing in underwear.

Shoot will take place end of July. Applicants from the first round of selection would be asked to come in for Auditions.

Compensation is for the project (only 1 shoot day with a few rehearsal days).
