February 14 & 15, 2015 at Meydenbauer Theatre, Bellevue, WA

Announcing a call for choreographers/dance companies with contemporary work to be presented at Chop Shop: Bodies of Work, an annual dance festival highlighting the BEST from the greater Pacific Northwest contemporary dance scene and beyond.

Chop Shop is committed to presenting work that is accessible to a wide range of both new and seasoned audiences. In partnership with the Experience Dance Project outreach program, this Festival promotes the art of contemporary dance through experience, education and performance.

Chosen work will perform in both performances (Saturday evening and Sunday matinee.) Artists will also have an opportunity to offer Master Classes on stage during the daytime hours of the Festival.
