Sans Limites Dance Company Member Compensation: All company members receive stipends for each performance in which they dance. The minimum stipend per performance is \$25. For performances that are mounted three or fewer times, this per performance rate may increase based on whether positive revenue is generated. Most performances are mounted six times as part of a Sans Limites Season (Spring & Fall). Thus, dancers receive at least \$150 per season. Sans Limites is currently pursuing non-profit status, which will allow for the possibility of rehearsal stipends in the near future.
