Dance To The People is a new dance project that aims to provide free access to dance training and movement research as well as an open space for discussion of issues in the dance field.

We're launching activities on September 19th, thanks to the CUNY Dance Initiative, at the College of Staten Island.

If you're interested in developing your teaching skills in a friendly environment, investigate movement in a collective space, or guide a specific discussion, please contact us at dancetothepeople@gmail.com. Or you can participate just taking a free class.

It's all FREE
