Compensation: varies by talent

Looking for dancers to perform during rock music video. Concept is simple when the chorus hits the camera pans over to dancers who perform a brief piece before the camera pans back towards the band.

all styles welcome salsa, hip-hop, Ballroom, swing, you name it.

Another important factor, one person will be wearing a gorilla mask, hands and feet which slip over sneakers. You won't need to wear a full gorilla suit so your body will still have a full range of movement.

We are shooting Tuesday night in Park slope, Brooklyn. If interested please email me back with some details about you like age, look, preferred dance style. Videos are ideal if you have any.

The most important thing about this shoot is that everybody has fun doing it!

thanks for reading!
