Kate Weare Company is a Brooklyn-based contemporary dance company known for its startling combination of formal choreographic values and visceral, emotional interpretation.

Following our sold out debut BAM in 2013, KWCo is seeking video editing interns to work on promotional and documentary-style dance videos. The company is currently offering 8-16 week unpaid internships in digital media leading up to our 10th Anniversary Season in 2014-2015. Join us as we celebrate this landmark year and help us make our return to the BAM stage a success!

KWCo interns make a minimum commitment of 4 hours per week for 8 weeks. Hours can be set flexibly around your schedule anytime on Mondays, Wednesdays or Fridays between 10am and 6pm. Work in our Mac-equipped Brooklyn home office, or remotely from your computer as projects allow.

To apply for an 2014 KWCo internship, please send the following:

- Your portfolio or editing work samples
- Your level of familiarity with Adobe Premiere and After Effects
- Your general availability and schedule
- And any other background info you might think relevant
