TK Digital (www.tk-digital.com) is producing a web commercial for a major camera brand. It will air on the manufacturer's website and on YouTube.

We are seeking 5 young hip hop dancers, men and women, (ages 18-21) for a half-day shoot on Wednesday, January 15th, at a Queens studio (with a 2-hour rehearsal on the 13th or 14th, TBD).

Auditions will be held this Thursday, January 8th, at a TBD location in Midtown Manhattan.

Already existing hip hop troupes are welcome to apply (even if your'e more or less than 5 people).

The rate is \$100 flat, per dancer.

Please send a headshot and resume to casting@tk-digital.com with a note that you are submitting from dance NYC, and we will schedule by appointment. If you can send a link to video of you dancing, that's a big help.

Thank you
