Kip Murray

Kaleidoscope Dance Theatre's Sean McLeod Dance Experience seeks additional male and female dancers for company and corporate positions, including our upcoming Central New York Season, NYC dates, and possible national and international opportunities. If you are a dancer who has additional corporate skills and business aspirations, we want you present! KDT/SMDEx offers a new kind of dance company experience, that looks to develop your business, interpersonal, and teaching skill-sets as well as honor and increase your world-class dance pedigree.

Following the success of our fall concert season, we are looking to fill a few additional dance contracts and identify additional dance intellects. Company members will have paid performances, as well as opportunities for national and international revenue making engagements. Teaching opportunities pending certification in one or more McLeod Technique forms. A strong background in classic and contemporary modern and ballet is recommended but not required. If you have the right heart we'll work to give you the rest. Those focused on a world class physique wrapped in only the best personality traits should apply.

Come and join us for a weekend full of Life Changing Master Classes and personal interaction led by Sean and his amazing team, the Certified Personalities of McLeod Technique. Hosted by the New York Institute of Dance & Education - N.Y.I.D.E., Sean McLeod Dance Experience, Kaleidoscope Dance Theatre, and our partners, this two-day dance experience will include classes in Sean McLeod's codified McLeod Technique (MT) including MT Modern, Reinforced Motor Function® (alignment, strength, and flexibility system), and MT Afro Hip Hop. Topped off with our famed self-reflective and life fueling "Talk Around" sessions. All of that wrapped in Motivation that will inspire you to action. If you are willing to take risks, embrace "Yes" and learn why this is essential, then Sean would love to see you!

Join us so we can get to know each other for upcoming work opportunities!
