The LEVYdance Laboratory is an opportunity to train, play, and discover. Five to ten selected dance artists will receive a scholarship to participate in eight-weeks of physical and process exploration March 2 to April 24, Mondays 12pm-2pm, Wednesdays & Fridays 12pm-6pm, with selected dance experts from the Bay Area Dance community.

Ideal candidates have a strong desire and openness for growth as individuals and as artists, to push personal comfort zones, to expand their capacity in creation and performance, and are eager to actively explore in a collaborative environment.
