Looking for another hip/hop club dancer to tour in China with an Electric Pop female artist.

About the tour in China

- Two dancers in total. One dancer is already selected.
- 3 months or less performing all over clubs in China
- Performances are 2 to 3 sets per show. Each set is 7 to 15 minutes.
- Performances are 4-5 nights per week but may be altered.
- Music is half covers half original. 10 songs in all to rotate.
- Flights, hotels are included
- Meal Stipend included
- All specifics is subject to change based on tour route and tour period
- Weekly pay from \$500-650 depending on offer
- May lead to future tour opportunities in South America and Europe

Before the Tour in China

- We need to put together a kit to send to my agent who will send to China to negotiate price
- The better our kit the more money we will make
- We need to put together live performance videos
- 7 songs in all. 4 covers and 3 originals
- bio and resume from each dancer
- 5 photos of each dancer in costumes
- 4 Photographs of dancers and artist ALL TOGETHER in costume
- 2 videos of each dancer : solo dance (Can be 15-30 seconds of each dancer having the spotlight)
- NO upfront costs for dancers
- There is no pay for the artist or dancers until the tour.
- Artist will pay for all videos, photos, and costumes.
- Dancer could use photos and videos for personal use
- Artist will pay for rehearsal space

Dancers Requirements

- Rehearsal attendance. It will be a lot of dancing!!
- Can work around schedules but must have some flexibility
- Assistance in Choreography
- Valid Passport -IMPORTANT-
- Must be fit and attractive.

Here is a tour example:

Note from the artist: "This the first big opportunity for SEIDS. I really want to work with positive hard working dancers I can trust and rely on, who believe in the music and vision. I want us to be a team who continues to grow and work towards bigger and better opportunities"

***If interested please reply to ad with a photo, video link and social media links: instagram, Facebook, twitter etc.
