"As CCB moves into a new chapter, Desmond and I are looking for something special this season. Yes, your technique needs to be together and all and you should have an incredible physicality, but we are looking for creatures who will devour the space, who are individuals, versatile, and unique movers with a passion. We love it when a dancer knows how they want to move, and brings their original voice to the work."

Co-Artistic Director and Co-Founder, Dwight Rhoden.
