think you're ready to be a bari. trainer?

you're a fitness freak  
wellness is your middle name  
you have to sweat once a day  
when the beat drops, you live  
you want to do something significant  
you want to transform others and be transformed  
you constantly evolve  
you're the life of the party  
you throw your heart into everything you do  
you don't need everything to be perfect, but you love when it is  
you create community wherever you go  
you're ready for the next big thing

if this sounds like you, it's time to show us your sweet (and sweaty) moves.

Initial auditions will be held April 11th, 15th and 16th in NYC.  
to apply, send your resume and headshot to [nycauditions@thebaristudio.com](mailto:nycauditions@thebaristudio.com) [www.thebaristudio.com](http://www.thebaristudio.com)

*New York's hottest hybrid workout is expanding, and we're looking for incredible trainers to join our team at our flagship location in Tribeca.*

Our hybrid workout is a unique experience, driven by amazing music and incredible trainers who combine sensory cardio, trampoline cardio, muscle sculpting, plyometrics and band resorption to deliver the ultimate workout for our clients. Our instructors not only lead a high-intensity results-oriented workout, they coach every class through an experience that opens their minds, inspires them from the inside and out and teaches them to connect to their 'why.' Every class is an opportunity to create a tight-knit, one-of-a-kind community for our Tribers.

We require that all instructors complete a rigorous physical and mental training program prior to teaching at bari. We'll teach you the method behind bari's classes — along with how to inspire clients, how to be the best trainer, and how to change bodies and lives!

To apply, send your headshot and resume to [nycauditions@thebaristudio.com](mailto:nycauditions@thebaristudio.com). When applying, please let us know if you have any personal training, group fitness or yoga certifications. Auditions will be held between April 11th and 16th, with callbacks occurring the week after all auditions have been completed.
