CLASSCLASSCLASS is looking for registrars to work our upcoming series at the Brooklyn Studios for Dance [BkSD](#) in Clinton Hill, Brooklyn. Classes take place April 27 - May 28. Monday-Thursday 11am-1pm and weekend workshops.

Registrars get to create personal relationships with teachers, while attending to the needs of the space. Registrars are expected to arrive early to the space, admit students into the building, take attendance and payment. This series forges a new partnership with BkSD and the Cadman Congregational Church, where class is held. We are looking for motivated and respectful dancers to join us.

As compensation, we offer \$10 per class worked and free classes throughout the series.

If interested, please email CLASSCLASSCLASSDANCE@gmail.com with the subject heading REGISTRAR. Please explain your interest, experience, and which classes you'd like to work. Registrars who can work 4 or more classes will be given preference.
