wrDM is creating a promotional image for a dance horror film festival, and we're looking for a ballet dancer with strong pointe technique for a photo shoot. You'll be shot from the calf down in a relevé, so the ability to hold relevé positions en pointe is super important.

Pay is \$25 for an hour of your time + a few full body shots for your portfolio, if you like. For consideration please email a few lines about you & your training + a quick pic of you in pointe shoes from the calf down, can totally be a selfie.
