Eunoia Dance Ex (E.D.E.) is holding an open workshop/performance for emerging dance artists in New York City. The workshop will take place on Saturday June 6th from 9am to 4pm at [R&D Studios](#) (345 Eldert St #117 Brooklyn, New York).

Workshop is donation based (suggested donation \$10-\$20).

TRIPD is an improvised score for dance, flute, piano, and electronics. The workshop will include a full warm up, an in-depth exploration of TRIPD's unique movement vocabulary, and an overview of the structure of TRIPD. The workshop will culminate in a performance of the score. This performance is part of [Bushwick Open Studios](#).

E.D.E. is committed to forging connections within the dance community. TRIPD's unique performance model offers young dancers performance opportunities at minimal cost, and low-commitment, while affording us the opportunity to engage in a meaningful exchange with the dance community. E.D.E. believes that fostering collaboration is vital to our growth as a company and to young dancers embarking on their professional journey.
