Now in its 5th year, the CURRENT SESSIONS has built a reputation as an organization that offers unique and memorable experiences for dancemakers, their collaborators, and spectators alike. SESSION after SESSION, passionate artists come together from NYC, the US and abroad to develop new relationships; a 3-day event of curated performances, movement workshops and an open forum/discussion allow accepted artists to exchange in both conversation and craft.

Recent artists presented include: Loni Landon Dance Projects, Danielle Russo Performance Project, Chuck Wilt // UNA projects, and Chafin Seymour // seymour::dancecollective, among others.

CURATORIAL FOCUS

The CURRENT SESSIONS is interested in seeing works that:

- engage the audience through participation / unconventional use of space
- is site-specific / durational / an installation in lobby of venue
- combine dance with media / technology
- are created in collaboration with a sound designer / feature live sound
- have a dance theatre / performance art influence

Artists are encouraged to submit work based on the stated Curatorial Focus, however, it is not necessary that proposed works fit into any of these categories.
