Nora Gibson Contemporary Ballet presents the 2016 Philadelphia Screendance Festival
Christ Church Neighborhood House Theater, February 16-21, 2016

We are thrilled to present, in its first year, the Philadelphia Screendance Festival! This festival will take place over six days in the newly renovated Christ Church Neighborhood House Theater, a 110-seat black box theater in the Olde City section of Philadelphia.

What we're looking for:

Videos 3 - 12 minutes in length that feature movement in any genre that was created/captured specifically for the medium of film/video. (No documentaries or documentation of performances.) We want videos that are cinematically engaging, where the camera is used as a choreographic tool.
