Dance/ Creative Movement Teacher

Company: Imagine Early Learning Centers
Compensation: \$50/hr

► [Share](#) | [Print](#) | [Download](#)

The Imagine Early Learning Center seeks a dynamic Dance/ Creative Movement Teacher to enrich the lives of young students across the 5 boroughs of New York City. The position entails planning and teaching developmentally appropriate Dance/Creative Movement Classes to students ages 6 months – 5 years.

Qualifications/ Skills:

- Planning, building and executing a dance curriculum
- Understanding of children's physiological development
- Build collaborative relationships with fellow teachers & staff
- Experience working with children
- Able to adapt to the needs of the class environment
- Strong time management
- Open to working in different locations
- Creative, positive personality
- BA or BFA in Dance/Movement Education

The Dance/Creative Movement Teacher position is a fantastic opportunity for those who wish to deepend their understanding of dance and education within a welcoming preschool environment. Apply to enhance the creative expression of our youth.
