How do you turn Julia Child making vinaigrette into [dance](#)?
Joe Monteleone and Shelley White had 3 minutes and nailed it.

Dance-ify Your Life is one series in my dance video [youtube channel](#), [Dance Move Daily](#).

In this series, dancers are shown a video, then given three minutes (and change) to create choreography based on a video I show them. Dancers do not know what the video will be, and herein lies the goodness.

I hope to create a series that sheds light on how dancers work and bring this process to a larger (non-dance) audience. But it's pretty awesome for a dance audience as well, and it's pretty ridiculously fun.

Get in touch with questions or if interested in dancing in a video!
