Looking for movement artists of all types and styles for a series of site specific dance portraits. Each film will be approximately 1.5-2 minutes in length as a snapshot highlighting the individual mover. Filming requires approximately 4 hours. These will be shared on a social media platform and result in live work.

Please send video footage of you dancing and tell us a little bit about yourself. Deadline is August 20th.

No compensation at the moment, but there will be footage for your use afterwards.
