NOW Casting "The ButtCracker," a comical, parody "danc-ical" set in modern-day New York City, spoofing the story of the "Nutcracker" ballet and the popular dance/movies/television shows spanning the last few decades. Company states: "Juxtaposing the themes of 'Footloose,' 'Dirty Dancing,' 'Fame,' 'Flashdance,' and many others, the plot creates the antics of 'Crashdance,' 'Prancing with the Stars,' 'Cutloose,' 'Lord of the Pants,' and 'Saturday Night Beaver,' in a coherent, thorough, and hilarious journey including men in tights and tutus, dueling ballerinas, and disco fever gone awry."

Rehearsals begin Oct. 5 (Mon. & Wed., 7-10 p.m.); mandatory fundraiser event Oct. 11; runs Nov. 30-Dec. 6 in NYC.

Auditions are THIS SUNDAY September 20th 2-6p by appointment only. Please send headshot/resume immediately to hangingcowproductions@gmail.com

SEEKING ballerina types for the role of Jlo, she is the snotty, stuck ballerina. Must dance at least loosely on pointe (doesn't have to be professional) must also sing as this role requires singing a parody duet...
NON UNION, NO PAY.
