Anita's Way is a private through block between 4 Times Square and One Bryant Park, located directly adjacent 135 West 42nd Street, just steps from Times Square and its new public plazas (<https://goo.gl/maps/weOWu>). Anita's Way has several distinct areas for exhibition and performance, including three HD video projectors with a 60-foot-wide architectural screen surface and over 120 linear feet of elevated stage area.

We're eager to work with dance companies / dancers/ choreographers who are looking for a space to practice or perform in a unique setting. All dancers / companies / choreographers are encouraged to apply (solos, duets, and groups dances).
