Gibney Dance is thrilled to introduce POP: Performance Opportunity Project, a brand new program that will provide the dance community with increased support for showings and performances.

POP enables dance artists to self-produce performances and showings at Gibney Dance through a curated rental process. Artists can participate through either a POP: Performance in the black-box theater or an informal POP: Showing in one of our studios.

Applications are accepted on a rolling basis and event dates are subject to availability. Please Inquire.
