Planning to perform your work-in progress or newly created work in NYC? Look no further than Fertile Ground at Green Space! Fertile Ground is a NON-CURATED showcase for emerging and/or established artists produced with full production values. The evening consists of work shown by five or six choreographers, followed by a moderated discussion - over wine and cheese - that integrates the choreographers, dancers, and audience members.

This series offers an excellent opportunity for participants to share new and developing work, then receive informative feedback about it in a supportive environment.

We only have 3 dates left this season - Apply before all the spots are taken!

2016 Dates- 4/17, 5/22, 6/19 - All shows at 7pm.

Deadline: Applications are accepted on-going, first-come, first-served until the performance dates are full.
