Darial Sneed, 2015

Katie Rose McLaughlin/Designated Movement Company is seeking experienced female dancers with strong classical & contemporary background for an upcoming show in June 2016. DMC looks for dancers committed to the creative process, who are interested working a multi-disciplinary (dance/theater) setting, and who aren't afraid of improvisation. Auditions will be on Monday February 29 from 8-10pm and will be by invitation only. Please submit a dance photo, resume and video of you dancing (if you have it) to designatedmovement@outlook.com if you would like to be considered for an audition slot. We are especially interested in performers with diverse backgrounds - dancers of color and older dancers are encouraged to apply.
