Alexandra Wells | Image Tech & Ballet

Dancers will work with an extraordinary faculty of teachers, choreographers, and mentors in a Project that encourages risk-taking, creativity, and the development of improvisational skills. In this supportive environment, dancers will be prepared to work in collaboration with today's choreographers. The program includes ballet, improvisational workshops, and the exploration of the creative process.

MIP® is an expansion of New Jersey Dance Theatre Ensemble's (NJDTE) Educational Programming and originally began as a collaboration with the Arts Umbrella (Vancouver, CA).
