Come dance with Emotions Physical Theatre at our contemporary experience audition/workshop featuring nationally and internationally known teachers, choreographers, and companies. Sharpen your skills with teachers who've performed with Pilobolus, Graham 2, Catapult from America's Got Talent, and the Roxey Ballet. Morning classes are followed by afternoon rehearsals with several renown NYC choreographers who offer paid contracts. Working closely with a choreographer over an extended period of time is the best way to get hired. Optional evening seminars include how to market yourself as a dancer and how to turn dance into a career. Build your network, audition for several companies at once, take part in our summer show at CPR in Brooklyn, and get seen by choreographers and curators. Get seven full days of dance for only \$400, plus get film from the show to add to your reel at no extra charge. Sign up now with the early bird discount for only \$350. Stay tuned for updates on choreographers and teachers.
