CaptiveFlow Dance is a new modern dance company with a show premiering at Hudson Guild May 26th-28th. We are in need of someone to help set our lights and run the light board during tech week and show times.

Candidate must have access to gels as the theater does not provide them.

Tech times are May 23rd and 24th. Show times are May 26th-28th with a matinee on the 28th. We will build tech rehearsal times to best fit everyone's schedules. A small stipend is available for your time and effort.

Please submit a sample of your work to [captiveflowdance@gmail.com](mailto:captiveflowdance@gmail.com) if you are interested in helping a young dance company out!
