We have at least one full position available for our upcoming project Origami. Additionally, there are two paid apprenticeships available.

Origami's time commitment runs from September 2016-November 2017 with potential touring to follow.

Summer Intensive Dates
Session 1: June 13-July 2 2016
Session 2: July 5-23 2016

Although Origami will have times for artists to travel for other work, anyone interested in auditioning must be willing to be primarily based in Chicago for the duration of the project.

We do not expect to make cuts, preferring rather to treat the audition as training workshops first, ensuring everyone in attendance receives a worthwhile dance experience.

Audition fee: \$20
