HOUSE OF DUENDE™ is a brand new dance studio / creative space in the heart of Spanish Harlem, NYC (165 E 111th St btwn 3rd & Lexington Ave). Artistic Director / Founder, Arielle Rosales, is a professional Flamenco dancer / choreographer / educator born and raised in New York City. *Duende*, in the context of Flamenco culture, is one's "inner spirit"; the magical force that lives within your gut that influences your Art. House of Duende™ is a home for all creatives from all walks of life to come and share their *duende*. Our GRAND OPENING is Saturday, MAY 28th; an all day event including free community dance classes, professional development seminar, panel discussion on the concept of *duende*, vendors, raffle giveaways, freestyle master class led by Pierce Cady (featured dancer with Miley Cyrus' Dead Petz Tour, Justin Bieber's "The Feeling"), performances, and ending with a full out jam session with a mix of dancers & musicians of various backgrounds! The purpose of the studio is to promote artistic collaboration, create opportunities for the community, and celebrate & embrace each other's cultures.

We are a grass roots organization with tons of Heart & Duende, and we are looking for likeminded individuals who believe in the mission to be part of our team / family to build towards our Grand Opening onward! This is a volunteer basis with compensation in complimentary dance classes & free rehearsal space. By the end of July, we will be hiring (paid) administrative assistants & staff members; volunteers will get priority consideration, if interested. We are looking for people who believe in the mission (you can read the full mission statement on our website: www.houseofduende.com - Follow Us on Instagram: @HouseofDuende)
