Fieldwork is The Field's signature creative forum for artists to meet weekly, share developing works and exchange feedback, peer to peer. The Field is celebrating our 30th Anniversary this year, which means we have been offering Fieldwork for just as long! This Summer Fieldwork will be facilitated by long-time Field veteran and noted choreographer and dance dramaturg [Pele Bauch](#).

Summer Fieldwork is unique because it's paired with the 'Adopt-an-Artist' Program where rehearsal spaces around New York City generously donate 24 hours of free rehearsal space to the Fieldwork artists. Thank you so much to the 'Adopt-an-Artist' spaces: BAX, BAAD!, Ardea Arts, Battery Dance, Spaceworks, Greenspace and Eva Dean Dance.

Fieldwork is for Creators:
Solo Performing Artists, Writers, Composers, Choreographers, Playwrights, Multidisciplinary Artists, Poets, Vocalists and more!
