Noel Valero

5th Digit Dance is looking for additional movers for a performance this winter in either January or February with additional performances TBD.

Those looking to be a part should be proficient in contemporary/modern dance technique, have experience with improvisation and partnering, be open to a heavily collaborative process, and want to have fun! Any additional training - ballet, African, tap, jazz, hip hop, vocal, instrumental, etc. - is a plus that should be noted in the submission email, but is not necessary.

Generally, rehearsals take place Monday mornings from 10am-12pm and Saturday afternoons from 12pm-2pm. Please note any conflicts you may have with these times and alternative dates that may also work for your schedule!

For consideration, please send your resume and head shot to fifthdigitdance@yahoo.com. Feel free to include any links to dance footage (reels, previous performances, etc.) that you wish.

Audition time and place will be sent upon review of submission email.
