Hello!

Trashion Fashion is looking for ballerinas (en pointe) for an event in DUMBO on 9/8 4:30-7:30pm on the High Line 2-4pm. Trashion Fashion is on a mission to contribute to a global reduction of waste through creative solutions. Our events invite Students, Artist and Businesses to find creative uses for items diverted from the waste stream all while exposing just how much waste comes through our daily lives. We hope to foster a generation of mindful consumers and creators who will change the way the world sees waste. Visit our website: www.trashionfashion.org or us on Instagram www.instagram.com/trashionfashionshow/

If interested please send an email with:

1. your full name & phone number
2. a dance photo (or a video) en pointe
3. if you are available on 9/8, 9/10 or both
4. briefly list any relative experience

Thank you!!!
