BodyMoxie Youth Dance (www.dance.bodymoxie.com) works with NYC public schools to provide high-quality dance arts education. We are looking for a hip hop teacher for all boys at a school on the UES.

Last minute request that starts in a few weeks, so looking to fill asap.

Pay is approx \$45 - \$65/hour depending on experience, potential for more if more students register.

Each class is 1 hour and 45 min on Tuesdays starting at 3/3:15

11 classes between Sept 13 and Dec 13, 2016

One class grades K-1, other class grades 2-4

Looking for instructors who value the many aspects of teaching arts education, excell at classroom management, incorporate musicality lessons, create composition opportunities for the students and encourage teamwork. The purpose of these classes is to teach dance technique, but really give the students a chance to find their strengths and build self-confidence. Experience in various urban dance forms is a plus: hip hop, b-boying, waving, popping.

Please send resume and experience to kim@bodymoxie.com
