PROJECT 44, an all male dance group based in Queens, NY is interested in meeting new male collaborators for future local engagements with the possibility of joining the touring group. Dancers should have advanced contemporary & ballet training and also feel comfortable working in a collaborative environment. Though we respect technique we are really interested in collaborators with great movement quality. Because of the nature of the group, it is important that new collaborators are a good fit with current artist. Weekly rehearsals on Monday evenings & Thursday mornings. Selected men will be invited to attend evening company class & rehearsal on Jan 30th.

If interested please send resume, references, & dance reel (not required) to project44dance@gmail.com

About PROJECT 44:

Established in 2010, PROJECT 44 (Queens, NY) is an all male dance group that serves as the artistic platform for choreographer Gierre J Godley. The company strives to erase all preconceived notions about masculinity and the role of a male performer in the arts. With a visceral approach to choreography, the works of PROJECT 44 aim to showcase the beauty, versatility, and athleticism of male performers.

PROJECT 44 has performed and be presented at various venues New York City. In 2012 the company embarked on its first international tour with performances in Barcelona & Manchester, England. Since PROJECT 44 has had successful tours to Berlin, Montreal, and numerous West Coast venues. In 2013 PROJECT 44 was the recipient of the Upstream Residency Grant from Kaatsbaan International Dance Center. This residency laid the ground work for many of the company's newest works. Since the company has had their first shared NYC season at Danspace Projects in St. Mark's Church and solo season at the Jack Crystal Theater.
