- CALLING ALL PERFORMING ARTISTS -

The LOCAL PRODUCE Festival of the Performing Arts
WANTS YOU!

STH is now accepting proposals from professional performers and teaching artists of all genres for:

WORKSHOPS & PERFORMANCES

Performances and workshops can be held under our big top tent in front of the STH Re:Creation Center on Union Street in Park Slope, or somewhere out on the street itself on Saturday June 3th, 2017.

SITE SPECIFIC MULTI-ARTS WORKSHOPS & PERFORMANCES

Think low- or no- tech outdoor, site specific performances and participatory, family friendly arts workshops, to be presented in several of Park Slope's most luscious community gardens throughout the month of June 2017. You choose your green space - or we will choose one for you -- and let us know what you would like to present. Presentations should be approximately 10-60 minutes long and could be composed of a combination of things - an informal performance followed by a participatory workshop, for example - or be part of a shared showcase of various artists' works.

Please send or drop off a one page proposal of what you would like to create/present at LOCAL PRODUCE plus a video link of 3 representative recent work samples.
