North Jersey Dance Company is seeking older male and female dancers who have not danced in a while but would like to get back into dance and perform again. NJDC is a new dance company now forming in Northern New Jersey.

Dancers will be "re-trained" through classes and choreography so that they can get back into dancing and performing. Choreography for performances will include various genres of dance, including ballet, jazz, modern, tap, contemporary, etc. Dancers do not have to be strong in all genres as we will work with the strengths and weaknesses of the dancers. For instance, if you trained in ballet and not so good with jazz, don't worry about it.

Company dancers will be paid per performance. Interested dancers please send the following information to the email below.

*Recent headshot/photo

*Dance Resume. (Resume does not have to be current. We just want to see what you've done, where you've trained, your genre of dance, etc.).

*If you do not have a resume, please submit dance background information in your email.

Serious inquiries only, please. We want people who are passionate about dance and would like to dance and perform again.

Send information to: njdancecompany@gmail.com

We look forward!
